I couldn't help myself. His European accent and huge cock are very hard to resist. When he looks at me I can feel my pussy immediately become moist. They say a girl shouldn't give it up on the first date, but I command the cock. I control the pussy, and I give it up when I want to. It feels good to be the one in control for a change.

SPEAKING THE LANGUAGE... OF LUST

She thought it would be good to take a course…but had no idea how it would pay off!.

When I looked out the window and saw how the snow was piling up, I was tempted to spend the evening home alone again. I would stay warm, dry, and cozy. I liked spending the evening cocooned in my little house. But I had been doing entirely too much of that sort of thing lately. That was why I had enrolled in the class in the first place.

Oh, sure, there was another reason too—I had fantasies of taking a trip to Italy. Ha, ha, sure…if I ever hit the lottery. And learning to speak Italian seemed like a good thing to do in advance of such a trip. But as I looked out the window at the tiny but aggressive snowflakes that were falling steadily and surely, piling up relentlessly, and making the roads slick, thick, and challenging, I wondered how important it really was to learn a language I might never need, the language spoken in a country that—let's face it—I wasn't realistically likely to ever see.

Not on the salary I earned. Who was I kidding?

And getting out of the house didn't seem that important, either. Sure, since breaking up with Lorna I had led what nearly amounted to a hermit's existence after work hours. Well, I didn't feel like socializing with my friends, and I certainly didn't feel like looking for a new girlfriend. What was wrong with staying home and figuratively licking my wounds?! I needed time to recover…there was nothing wrong with that!

But as I stared out the window, shifting from foot to foot indecisively, I began to feel uncharacteristically restless. The two conflicting urges—stay home—go to the class—stay home—go to the class—warred it out in me, and finally the restlessness decided me. Putting on my boots, a warm scarf, and my coat and gloves, I ventured out into the driveway. Class wasn't due to start for another 45 minutes, and the high school where the classes were being held wasn't that far from my house, but I knew I'd have to shovel out the driveway if I wanted to go anywhere, then drive slowly and cautiously if I wanted to arrive in one piece.

Shoveled out at last, I proceeded cautiously down the street, grateful that I had thought to put good snow tires on the car. Traffic was light; most people, more sensible than I, were staying in in the face of the snowstorm. When I reached the high school, the parking lot had only a smattering of cars in it.

The Italian class was to be held in room 305. I found the classroom in which we would be meeting for the next 10 weeks and opened the door. There were only three other people inside, all sitting at student desks. No teacher was in sight. A conservatively dressed businessman-type occupied one of the seats

and was busily scribbling something or other on a yellow legal pad. A rotund grandmother-type with silvery hair and silver-rimmed glasses sat in another seat, her hands folded placidly on the desk, and calmly waited.

The third student waiting inside the classroom was a trim but busty girl around my age, with long, wavy, reddish-brown hair. She was wearing tight brown corduroy pants, stylish brown boots, and a cream-colored silk shirt. She looked restless and indeed seemed full of energy. Even her eyes seemed to send out sparks. "Oh, good…are you the teacher?" she asked with an expectant smile.

"No, 'fraid not," I said. "I'm Bettye, another student. I'd guess the teacher is out there in the storm somewhere."

The trim, buxom girl gave a short, brittle laugh. "Probably stuck in a snowdrift, with our luck. Oh… I'm Gina."

"Hi, Gina!" I said, taking the desk next to hers.

"So…what made you decide to take this class…if I'm not being too nosy?" Gina asked me.

"Daydreaming of a trip to Italy," I admitted, "and…Io no parlo Italiano…did I say that right?"

"I don't know. I don't speak it either. That's why I'm here!" She laughed. "But I speak some French and Spanish, so I thought I might as well go for the hat trick."

I looked blank.

"Sports expression. Three goals. Never mind. Not important. Neither is my learning Italian, but it seemed a good way to occupy one evening a week. I've been…kind of alone lately."

"Me too!" I blurted. Then I stopped cold. I didn't want to have to explain the facts of the breakup—or of the relationship. Suppose Gina didn't approve of lesbian couplings?

But it became evident over the coffee we soon found ourselves sipping that not only was Gina understanding of lesbian relationships, she was lesbian herself. The coffee came about because, after another five or 10 minutes, the intercom in the room came alive, and a disembodied voice advised us that, due to the weather, the teacher would be unable to get there, the class was dismissed, and we would have a make-up session scheduled for later in the semester.

That was when Gina and I decided to have a cup of coffee together at a nearby coffee shop, and it was over coffee, after revealing ourselves to each other, that Gina suggested I come back to her house "for another cup of coffee." I realized that coffee wasn't all that was being offered. And I accepted.

We started with coffee, all right, and more conversation, but that soon led to some cuddling on the couch, and then Gina's hand was on my boob, and my hand was on her ample bosom, and then our tongues were tangling as our lips sealed together in an ardent kiss. And then Gina suggested, "Let's go to the bedroom and get comfortable."

As she pulled me to her, I snuggled my body up against hers and ground my suddenly needy pussy up against her flaming bush.

Naked on the bed, we stretched out on our sides, facing each other. Her generous boobs pressed hard against my boobs, flattening them, while my nipples responded by perking up and stiffening. Gina grasped one nip, thumbed it, feeling it stiffen under her touch,

and then put her other hand around my back and pulled me tighter to her. "Mmmm," she sighed.

As she pulled me to her, I snugged my body up against hers and ground my suddenly needy pussy up against her flaming bush. I could feel wetness, though I wasn't sure if I was feeling her juices or just my own. My long-dormant pussy, which hadn't even wanted my own finger lately, suddenly was alive and thrumming with sensations it hadn't felt since the breakup. Juices were coursing through my tunnel and streaming out of my so-long-neglected opening.

As my body tightened to Gina's body, hers made

a corresponding motion and drew even tighter to mine. We undulated together, hunching against each other, our commingled juices streaming from our overwrought pussies and drooling down onto our thighs. I felt her body urgently pressing against mine and knew she wasn't just echoing my motions to help me along; she was in as much need as I was.

Her warm, strong fingertips slid down my back, down to my ass, digging into my firm globes, guiding my rump's motions back and forth as she clenched her fingers and grabbed a handful of ass-flesh. Her grip became more urgent; her grasp became more sure; her pushing became more determined.

Following her guidance, I speeded my humping, driving urgently, digging my pelvic bone into hers. Her coarse, springy pubes ground into my skin. My own curlies, drenched now with our mixed juices, pushed against her skin. We joined in the satisfying horizontal dance, moving to internal music, finding complementary rhythms. And as we did, our respective fevers spiralled higher. I knew it wouldn't be long before I got off. And I knew it wouldn't be my only climax of the evening. I only hoped that Gina, too, had more than one orgasm in her.

We joined in the satisfying horizontal dance, moving to internal music, finding complementary rhythms. And as we did, our respective fevers spiralled higher.

As I surged against her, my breathing became more labored, more ragged. I became exquisitely aware of a myriad of sensations: the soft suppleness of Gina's skin, the urgency that flowed from her fingertips, the rigidity of her rubbery nipples, the pillowy softness of her breasts, the raspiness of her ever-more-desperately gasped breaths, the warmth of her exhalations as she puffed into my mouth through the kiss we were trying to maintain.

She actually climaxed first. Suddenly she was gasping, groaning, crying out, her liplock on me broken as she cried out in desperate longing. Her burning pussy pressed against mine in needful lunges, all semblance of rhythm gone. Then she was shuddering, shaking, totally tense one minute and limp as a thin tissue the next.

I was right behind her. I shifted position so my pussy was grinding against her thigh, bearing down on the soft firmness of her muscular leg, finding a fit that gave me exactly the pressure I needed. I shuddered as the exquisite agony overtook me, shook me in its grip, swept sweetly through my body, and then receded, leaving only satisfaction and a sense of being utterly drained.

But it was the calm before the next storm. Gina kept her arm around me, though her hand let go of my rump and moved up to my shoulders. Lightly, lazily, she toyed with the nape of my neck, with the back of my shoulder, with my upper back. At first it was a gentle-down touch, a series of afterplay moves meant to keep the contact going; but at some point, afterplay morphed into foreplay, and what had begun as the postlude of our loveplay became the prelude to another round.

When Gina began to kiss her way down my body, from my neck to my shoulder, from my shoulder to the top of my chest, from there to the swell of my quivering breasts, my body began to undulate in the grip of a renewed need. And as Gina's lips attached themselves to my nipple, as she began to suck, as she let her tongue join the party and begin to swirl across the tip of my nip, I felt my fever rise in earnest and heard a groan issue from my mouth as I surrendered to her teasing.

For a few minutes, those lips remained at my breast, sucking, taunting, aided by her lolling tongue and her carefully nipping teeth. But then my breast was no longer enough to satisfy her, and Gina began a downward trek toward my pussy, traversing the plain

of my only slightly rounded belly, down, down, till she was scooting through my still-soggy pubes, not yet dried from Round One and now getting newly wetted by the outpouring of my renewed passions.

Down and down she went, her tongue coming into the picture now as she licked down to the start of my slit, lapped her way to the swell of my lust-thickened labes, darting from one labe to the other, and skating the length of each of my labia till I was on the point of screaming for her to stop teasing me and do something! As I felt my mouth open, ready to scream in frustration, Gina switched tactics, nibbling on my lovelips instead, lightly using her teeth to graze on my outer labia, hotly exhaling so her warm breath blew across my tingling clitty.

"Lick me!"

Was that really my own voice? I sounded so…so… agonized.

Gina chuckled, but she complied. Her tongue swiped across the pointy tip of my clit. Once.

"Don't tease me!"

She chuckled again, but she settled in to lick my clit in earnest. Lap. Lap. Lap. Lap. My ass propelled my pussy forward, straining, straining, trying already to get off again, quickly spiralling from the utter contentment of just a few minutes ago to the fevered need that now commanded control of my entire being.

Gina unexpectedly thrust a finger into my pussy-hole. Then she withdrew it and thrust a finger, two fingers, three fingers of her other hand up my hole. Wha—?

The confusing maneuver explained itself a moment later when the original finger came knocking at my backdoor. Wet with my pussy-juice, it breached the purse-string-tight grip of my butthole and slithered up my back channel. Now I had three fingers fucking in and out of my pussy-hole, one finger crammed up my ass and wriggling around wickedly in there, and that magical tongue waggling determinedly across my, by now, really swollen clit.

You show me the girl who can resist such an onslaught. I surely couldn't…nor did I want to. I wanted only to climax. Well…that's not entirely true. I also wanted to return the favor. My mouth was salivating at the thought of tasting Gina's musky juices. I wanted to slither my tongue up Gina's tunnel, to palp her breasts with my palms, to tweak her nipples, to grip her thighs hard with both hands as I dived into her slit and immersed my face in her juicy folds.

Now I had three fingers fucking in and out of my pussy-hole, one finger crammed up my ass and wriggling around wickedly in there...

But first I would have to find my own satisfaction. And I was close to it.

Straining, gasping, grinding, pushing, throwing myself wildly around on the bed, I strove for the climax I so desperately needed. Those fingers and that tongue helped me along. And then I was there, cresting, climaxing, coming wildly. And Gina was helping me along all the way.

When I had regained reality, from off in that delightfully fuzzy neverland to which I had found myself transported, I returned the favor. Gina was delicious… and deliciously responsive too. And when we got up from the bed to go fix a couple of cups of hot cocoa, we looked out the window and beheld a white wonderland—and impassable roads. "You're snowed in, babe," Gina pointed out. "But I think we can think of something to do so we won't get bored."

She was right.

We slept in on a lazy, rainy Sunday. We woke up at noon, had some cereal and went right back to bed. But I was horny and I had to wait for him. A couple of hours later he woke up horny too, and of course one thing lead to another. Basically, he fucked my ass, we slept, woke up, fucked my ass again all day and night long.

Sweet Thing

Driving one night, I saw a sign that stopped me cold: "Kuntz General Store." I thought it was a joke, till I got a look inside…

It was rapidly getting dark and I was barreling across the autumn countryside in an old gray Ford that I affectionately called the Gray Ghost. I was hungry as hell and racing my wheels like crazy down Route 66, across the dustbowl plains, someplace in Kansas, I think. Country music twanged on the radio and destiny was at my tail.

All of a sudden I came to a clanking stop in one of those silo towns. And that was about the size of it: one huge grain silo that you could see for miles across the flatlands, an old gas station and a lonely looking general store.

I mean, that's all there was. So I pulled over and just sat there. It was like some "Wizard of Oz" movie, only for real. The ominous sky hung heavy, waiting for a witch to fly through the clouds. A tornado could hit at any minute; it was that kind of sky.

I just sat there, the car caked with the midnight mud of irrigation ditches and a thousand dead insects. I was truly a mad traveler. And I couldn't believe that sign: KUNTZ GENERAL STORE in huge letters. I looked at it and laughed my ass off.

I emerged from the Ghost and walked slowly across the street. This I just had to see for myself. I walked up the creaky, old, wooden steps of the Kuntz General Store with a shit-eating grin on my face. I was tired from my long drive and my imagination was working overtime. I was getting silly. There was a soda fountain on one side of the store and a pretty, young girl was holding sway—literally!

I sat down and ordered a hamburger, a glass of milk and a slice of apple pie. And I watched the girl as she moved her lithe, young body. She kept looking out the window at my car. She'd probably never seen anything like it. Matter of fact, neither had I before I had bought it. I was kind of proud of it. A real classic, in a surreal sense, like out of a weird, black-and-white newsreel dream.

So I'm eating my hamburger and watching this girl. Me, a tired poet on the loose from my favorite asylum, San Francisco. And now, plunked down right here in absolute nowhere. Feeling abstract. Car loaded to the gills with books, my guitar and all the odd vestiges of my life.

After eating, I decided I felt like talking.

"Hi," I said.

"Hi," she replied. "I saw you drive up." She paused, fiddling with her apron "I couldn't believe it!"

"Yeah, I know what you mean," I said, looking out at the car. "That's the Gray Ghost, and I'm actually afraid to wash it."

"Why?"

"Well, I think the mud and dirt is the

Tara disappeared for a short while, and then reappeared. "Well?" she asked, standing before me in the soft light in a pink see-through nightie.

only thing that's holding her together." I smiled, and the girl smiled back. She was looking good. Wholesome. Beautiful, actually. Young, she couldn't be more than 18. Honey-blonde hair. Large, sweet tits. Green eyes. Oh, kitty, kitty....

"I get off in 10 minutes," she said softly, leaning on the counter in front of me, "I mean, if you'd like to show me your car."

"Sure, yeah," I answered slowly. And I watched her move like a cat behind the counter, slowly removing her apron, looking over her sensuous shoulder, smiling—the unmistakable gleam of sin and lust in her sweet little eyes.

Sweet thing. I should've asked her name, I thought. She probably hadn't seen a wild man like me in years. A combination of James Dean and Attila the Hun. Lean, bearded, a million miles of living in my eyes and almost as many on my car. In retrospect, I must've been quite a sight. Me and the old Gray Ghost. But I was a creature of images and I played the strange, mysterious traveler for all it was worth. And it seemed to be working.

I finished my burger and apple pie. Washed it all down with a large glass of milk and gave "sweet thing" a little nod and a wink. She came sashaying over. "Would you like anything else?" she asked.

"Never thought you'd ask, I shot backed."

"Well, what would you like?"

And I just grinned, looking at her nice, round ass. "You know," I said, "I think I'd like to dump about a case of beer down the inside of my neck." And I certainly did. I mean, I felt absolutely parched. Horny too.

"Well, let's go," she said.

"Go where?" Where in hell was there to go out here, surrounded by miles and miles of nothing but miles? "

Well, you wanted some beer, didn't you?" she said, ringing up my tab. I nodded as she came around the counter. "See ya, Joe," she yelled into the back room. Silence. Then she took my hand and led me across the store to the beer cooler and asked, "What do you want?"

I couldn't resist. I grinned, giving her luscious body a studious once over. "I mean, what kind of beer you do want?" she said, smiling and loving every minute of my lecherous desire, my drooling mind.

"Let's get a couple of six-packs of Bud," I said. I gave her the money to ring up at the register. She returned, taking my hand once again and we walked across the street to my car.

"Hey," she said. "I forgot to ask you your name."

"Steve, "I said as I opened the door for the little lady. I set the beer in the back seat. "And what's yours?"

"Tara. Hey, your beer's getting warm."

So I jumped into the Gray Ghost and popped open a brew. Off to God knows where. The Wizard, I supposed.

"Tara, you want a beer?" I removed one from the pack, handing it to her. "Go ahead, have one."

"All right," she said, popping the lid off.

"Where to?" I asked.

"Let's go out to my place. I'll show you the farm."

"Onward!" I said, and put my ride in gear.

She led me around strange pasture roads, desolate junctions, acres of checkerboard fields, and finally down a bumpy old dirt road to a battered 1920s farm.

"You live here alone?" I asked, stalking the eerie old house.

"With my father," she said. "Mom died when I was little."

"Where's—"

"My father?" she interrupted. "Driving a truck. He's gone for a couple weeks at a time." Then she moved close to me. "Make yourself comfortable, Steve. We're all alone."

So I settled down in a comfortable old chair in the dreary parlor and opened a beer. The dark outside grew darker still.

Tara disappeared for a short while, and then reappeared. "Well?" she asked, standing before me in the soft light in a pink see-through nightie.

"Fantastic," I said. "Come here."

And she eased over and sat on my lap, squirming her lovely round ass on my cock. She reached between her legs to stroke it. "Aren't we getting friendly?" she said, as she slid down from my lap, onto her knees, unzipping my fly and releasing my throbbing manhood. Then she gently licked and sucked it. Just when I thought I would blast in her sweet mouth any minute, she got up and whispered, "Let's go to the bedroom, Steve."

I followed her through the darkened house to the bedroom, walking a little strangely from the discomfort of my enormous hard-on. But Tara took care of that. She sat on the edge of the bed and giggled with sinful glee as she undressed me, fondling my cock and balls. Then she took her nightie off and threw herself on the bed, her arms held high. "Come on, Steve," she said, "fuck me—and fuck me hard."

I moved slowly into her arms, kissing her soft lips, then her neck, and her beautiful large tits while she steered my cock up and down the gentle puffy lips of her pussy and easily into her moist, tight little hole.

"Oh, Steve," she sighed, as her hungry cunt began to swallow the entire length of my cock. Her pussy muscles were pulling my eight inches deeper and deeper, twitching as he writhed under me, moaning.

And I drove her slowly at first, with my famous long stroke, way out and in, as she groaned in total abandon from the fury of our seething passionate fuck.

She clenched her teeth as she came, throwing her arms and legs around me, bucking to the rhythm of her cataclysmic orgasm. Then I shot my own load of hot cum into her steaming pussy. She whimpered in the sweet afterglow of our sex—kissing my neck, my cheek, my lips—her pussy clenching tightly around my cock, squeezing the last oozing drops of cum from my body. She wanted it all.

I rolled over and must've dozed off or passed out from the weary miles and the strenuous fuck, only to awaken a short while later to find find her hungrily sucking on my cock.

"Oh, Steve, you're awake," she said. "I was so horny. I just couldn't resist."

"Roll over," I said, still groggy. Half-asleep, I fucked her again as hard as the first time, maybe harder, thrusting my ramrod eight inches of hard meat to the hilt as she gasped and screamed for joy.

I had finally satisfied her; for now. I rolled back over but I waited to be sure, and listened to her slow, easy breathing. She was asleep. Then I fell, once again, into a deep sleep.

I woke in the early dawn hours to the strange sound of a rooster crowing in the distance, and the odd first red glow of day filtering above the horizon and below the clouds. Tara was still asleep.

I quietly slipped out of bed, gathering my clothes in a hushed tip-toe silence. I was making good my escape. Something I had always wanted to do, in the back of my mind for years. With shoelaces trailing, shirt tail flying in the brisk morning air, I made a quiet, hasty run for the Gray Ghost and was gone in a cloud of Kansas dust and dreams.

And I thought of Tara then, with a wicked smile on my face. I wound the car around patchwork fields on the mist of the early-morning roads. All looking alike. Crazy intersections in the middle of nowhere. Everything hushed, sleepy and quiet, except for the roar of my tortured engine. I almost panicked thinking I was lost, when the small town loomed like a beacon ahead of me. I knew that it would put me back on Route 66, headed for the East Coast.

I rounded the side road and slowed like a prowling cat into the stillness of the town. Main Street. Then I came to a stop in front of the store. The motor purred in anticipation of the viciousness I would inflict upon it. My very own beast of deliverance.

I looked up at the sign above the store for the last time. "Well, I'll be damned," I muttered to myself as I patted the dashboard, put on some country music, and shifted her into gear. "Guess I wasn't dreaming after all," I said. "There really is a Kuntz General Store."

And with that I roared out of town, with memories of sweet Tara.

I had finally satisfied her; for now. I rolled back over but I waited to be sure, and listened to her slow, easy breathing. She was asleep. Then I fell, once again, into a deep sleep.

Alanah Rae

Mama didn't tell me how fun sex would be, like in a supermarket parking lot; in the last row of the theater; in the neighbor's backyard; or in the bed of a pickup truck. She also didn't tell me how much fun it would be with a girl, or with two girls, or with two guys. I had to find all that out by myself. How fun it's been!
